

Cookie Policy

Last updated: **23 February 2026**

This Cookie Policy explains how SimbaPDF uses cookies and similar technologies and how you can manage your preferences. Cookies are small text files stored on your device when you visit a website.

Quick summary

- **Necessary cookies** are always enabled for security and core functionality.
- **Analytics cookies** help us understand performance and improve SimbaPDF (optional).
- **Marketing cookies** help measure advertising/marketing effectiveness where enabled (optional).

1. What are cookies?

Cookies are small text files placed on your device by websites. They are commonly used to make websites work, keep you signed in, remember preferences, and help site owners understand how their services perform.

2. Types of cookies we use

2.1 Necessary cookies

These cookies are required to operate SimbaPDF securely and reliably. They may support features such as authentication, security protections, fraud/abuse prevention, and basic website functionality. Necessary cookies cannot be disabled through our preference controls because the service may not function properly without them.

2.2 Analytics cookies (optional)

Analytics cookies help us understand usage patterns (for example, which pages are visited, errors that occur, and performance metrics) so we can improve SimbaPDF. Where required, analytics cookies should be enabled only after you provide consent.

2.3 Marketing cookies (optional)

Marketing cookies may be used to measure advertising performance, limit how often you see an ad, and help show more relevant marketing. Where required, marketing cookies should be enabled only after you provide consent.

3. Managing your cookie preferences

You can manage your cookie preferences using SimbaPDF's cookie controls (for example, the cookie banner or the preferences section on our Cookie Policy page). Your choices may be stored in a cookie so we can remember your settings on future visits.

You can also control cookies through your browser settings. Most browsers let you delete cookies or block cookies for all or selected sites. Note that blocking necessary cookies may cause parts of

SimbaPDF to stop working.

4. Third-party cookies

If you enable optional analytics or advertising features, third-party providers may set their own cookies or similar technologies. These providers operate under their own policies and are responsible for their own practices. SimbaPDF aims to respect consent choices where applicable before enabling these third-party services.

5. Changes to this Cookie Policy

We may update this Cookie Policy from time to time. We will post the updated version and update the “Last updated” date at the top of this document.

6. Contact

If you have questions about cookies or your preferences, contact us at givensimbini@gmail.com.
